Catálogo Maestro de Prompts y Arquitectura: 20 Pisos (Fondos y Pisos)

Esta guía contiene la especificación completa y los **38 prompts optimizados** (1 para el fondo continuo y 1 para el set de piso transitable con bordes rotos) para cada uno de los niveles de tu edificio, listos para usar en **Nano Banana**, **Midjourney** o **DALL-E 3**.

---

1. Convenciones Técnicas de los Prompts

- **Fondos:** Se formulan como `seamless horizontal pattern`, `flat side orthographic view`, con relación de aspecto `--ar 16:9` y sin elementos móviles frontales ni personajes.
- **Pisos:** Se formulan en vista de perfil transversal (`cross-section profile view`), aislados sobre fondo negro sólido (`isolated on solid black background`) para poder recortar la transparencia con varita mágica o en Photopea/Piskel en un solo clic, incluyendo bordes fracturados para los huecos de salto.

---

2. Catálogo de Prompts Piso por Piso (Fondo y Piso)

Piso 01: Sótano de Oficinas

- **Fondo:**

```
2D side-scrolling platformer background, seamless horizontal pattern, dingy office basement storage wall, stained concrete blocks with vertical water drips, exposed conduit pipes, emergency exit sign glowing faint red, low rusted vents, 16-bit pixel art style, flat side orthographic view, no characters, clean texture tiling, palette: murky charcoal, damp cement gray, rust orange, faint warning red --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows greasy cracked industrial concrete with yellow diagonal warning lines. The middle cross-section shows thick dark concrete layers and cut rusty rebar. The left and right edges are jagged, broken, and abruptly cut into a deep hole. Gritty rundown aesthetic, sharp pixels, no anti-aliasing.
```

Piso 02: Archivo Central

- **Fondo:**

```
2D side-scrolling platformer background, seamless horizontal pattern, massive bureaucratic archive hall wall, towering metallic filing cabinets lining the wall, scattered pinned indexing tabs, faint yellow tungsten tube lights, peeling institutional green paint, 16-bit pixel art style, flat side orthographic view, no characters, clean horizontal loop, palette: dull olive drab, filing cabinet steel gray, aged paper cream, dark olive --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows scuffed dusty green linoleum tiles with visible rectangular seams. The middle cross-section shows splintered subfloor timber and hanging paper-thin conduit wiring. The left and right edges are jagged, broken, and snapped abruptly. Gritty aesthetic, sharp pixels, no anti-aliasing.
```

Piso 03: Pasillo de Servicio

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, narrow utility service corridor wall,
raw cinder block wall, horizontal bundle of black
electrical cables, high metal junction boxes, periodic
small bulkhead cages with orange work lights, 16-bit
pixel art style, flat side orthographic view, no
characters, clean texture loop, palette: cinder gray,
matte black, utility caution orange, faint ambient shadow
--ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer
tileset, flat 2D side orthographic view, isolated on a
solid black background. A floating floor platform viewed
from a pure profile cutaway side-section. The top surface
shows dark metal diamond tread plates bolted together
with oil slicks. The middle cross-section shows rusted I-
beams, bolts, and severed copper pipes. The left and
right edges are sharply broken, fractured, and open to
the black void. Sharp pixels, no anti-aliasing.
```

Piso 04: Recepción Cerrada

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, abandoned building front lobby wall,
faded dark walnut wood wainscoting with pale cream upper
wall, defunct bronze company directory plaque
silhouettes, dim art deco glass wall sconces, 16-bit
pixel art style, flat side orthographic view, no
characters, clean texture tiling, palette: walnut brown,
aged cream, dull bronze, shadowy maroon --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows cracked beige terrazzo stone floor with brass dividing strips. The middle cross-section shows crumbling mortar, wire mesh, and concrete slab thickness. The left and right edges are jagged, chipped, and violently broken. Sharp pixel art, no anti-aliasing.
```

Piso 05: Baños Antiguos

- **Fondo:**

```
2D side-scrolling platformer background, seamless horizontal pattern, dilapidated public restroom interior wall, stained pale seafoam ceramic tiles with black mold in the grout, rusted pipe anchors, cracked wall mirror frames, single hanging bare bulb, 16-bit pixel art style, flat side orthographic view, no characters, clean horizontal loop, palette: seafoam teal, dirty porcelain white, dark mold green, rust brown --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows small hexagonal teal and white mosaic tiles with puddle reflections. The middle cross-section shows broken lead water pipes dripping into the void and subfloor stone. The left and right edges are chipped and abruptly fractured. Sharp pixel edges, no anti-aliasing.
```

Piso 06: Pasillo Principal

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, long institutional office hallway
wall, two-tone paint with lower dark emerald green and
upper beige, wooden fire doors with small wired-glass
viewports, ceiling acoustic tiles slightly sagging, 16-
bit pixel art style, flat side orthographic view, no
characters, clean texture tiling, palette: institutional
green, dusty beige, warm oak, neutral ceiling gray --ar
16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer
tileset, flat 2D side orthographic view, isolated on a
solid black background. A floating floor platform viewed
from a pure profile cutaway side-section. The top surface
shows worn checkered vinyl tile floor in dull brown and
tan with dark baseboards. The middle cross-section shows
layered plywood subfloor and hanging ceiling wire hangers
underneath. Left and right edges are snapped and broken.
Sharp pixel art, no anti-aliasing.
```

Piso 07: Pasillo Departamentos

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, apartment building tenant corridor
wall, aged damask wallpaper peeling around dark wooden
apartment doors with brass unit numbers, vintage brass
doorbells, baseboards with peeling varnish, 16-bit pixel
art style, flat side orthographic view, no characters,
clean horizontal loop, palette: mustard ochre, aged
burgundy, dark mahogany, warm brass --ar 16:9
```

- **Piso:**

16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows creaky hardwood strip floor with a faded threadbare floral runner rug along the middle. The middle cross-section shows dark support floor joists and plaster lath. The edges are splintered and broken. Crisp pixels, no anti-aliasing.

Piso 08: Almacén de Limpieza

- **Fondo:**

  2D side-scrolling platformer background, seamless horizontal pattern, cramped janitorial supply room wall, raw gray drywall with taped joints, utility wall pegboards with outlines of tools, tall industrial mop racks, high galvanized metal water supply pipes, 16-bit pixel art style, flat side orthographic view, no characters, clean texture tiling, palette: drywall gray, galvanized silver, chemical detergent blue, shadow black --ar 16:9

- **Piso:**

  16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows yellowed chemical-resistant industrial poured epoxy floor with soap stain rings. The middle cross-section shows raw aggregate concrete and severed drainage pipe sleeves. Left and right edges are jagged and cut off cleanly. Sharp pixels, no anti-aliasing.

Piso 09: Oficinas Abandonadas

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, derelict gutted corporate office
wall, desaturated pale turquoise paint falling off in big
flakes, dangling electrical cables from broken drop
ceiling, water damage marks running down, boarded-up
interior window, 16-bit pixel art style, flat side
orthographic view, no characters, clean horizontal
tiling, palette: pale turquoise, dust beige, dark slate,
mold green --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer
tileset, flat 2D side orthographic view, isolated on a
solid black background. A floating floor platform viewed
from a pure profile cutaway side-section. The top surface
shows gray industrial loop-pile carpet tiles partially
ripped up revealing sticky black adhesive beneath. The
middle cross-section shows concrete slab with rebar and
telephone cabling bundles. Edges are torn and broken into
blackness. Sharp pixels, no anti-aliasing.
```

Piso 10: Terraza Técnica

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, rooftop maintenance enclosure back
wall, corrugated weathered sheet metal panels with rust
streaks, heavy-duty conduit runs, distant cloudy dusk sky
horizon seen over a low parapet wall, red beacon tower
light silhouette, 16-bit pixel art style, flat side
orthographic view, no characters, clean horizontal
tiling, palette: overcast indigo dusk, rust orange,
corrugated steel gray, warning beacon red --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows black tar and gravel roof decking with seams of pitch sealant. The middle cross-section shows thick corrugated steel decking and structural steel beams underneath. The left and right edges are sheared off and broken abruptly. Sharp pixel edges, no anti-aliasing.
```

Piso 11: Sala Común

- **Fondo:**

```
2D side-scrolling platformer background, seamless horizontal pattern, communal apartment lounge wall, warm wooden slats and faded floral 1970s wallpaper, mounted empty notice boards, wall-mounted cast iron radiator with chipped paint, soft ambient table lamp glow cast against wall, 16-bit pixel art style, flat side orthographic view, no characters, clean texture tiling, palette: warm terracotta, faded olive, walnut brown, antique brass --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows warm herringbone parquet oak wood floor with polished glossy patches. The middle cross-section shows thick solid pine joists and plaster insulation layers. The left and right edges are cleanly splintered and broken. Crisp 16-bit pixels, no anti-aliasing.
```

Piso 13: Enfermería

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, vintage building medical infirmary
wall, glossy sterile mint green tile wainscoting with
white upper plaster, frosted glass interior partition
frames, stainless steel supply cabinet silhouettes
against wall, 16-bit pixel art style, flat side
orthographic view, no characters, clean horizontal loop,
palette: clinical mint green, hospital white, cold chrome
silver, shadow teal --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer
tileset, flat 2D side orthographic view, isolated on a
solid black background. A floating floor platform viewed
from a pure profile cutaway side-section. The top surface
shows seamless clinical white hospital linoleum with
faint gray marbling and curved sanitary baseboards. The
middle cross-section shows dense concrete sub-screed and
clean copper conduit lines. Edges are broken and
fractured abruptly. Sharp pixels, no anti-aliasing.
```

Piso 14: Biblioteca Técnica

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, forgotten technical reference library
wall, floor-to-ceiling dark oak bookshelves packed with
aged manuals and technical binders, rolling ladder rail
attached at top, brass picture frame lights, 16-bit pixel
art style, flat side orthographic view, no characters,
clean texture loop, palette: deep mahogany, leather
burgundy, antique paper gold, bookbinder blue --ar 16:9
```

- **Piso:**

16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows dense burgundy acoustic carpet with subtle diamond geometric patterns. The middle cross-section shows heavy reinforced timber floor decking and support beams. The edges are frayed carpet over broken wooden joists into the void. Sharp pixels, no anti-aliasing.

Piso 15: Pasillo Ejecutivo

- **Fondo:**

  2D side-scrolling platformer background, seamless horizontal pattern, corporate executive floor hallway wall, polished cherry wood wall paneling with subtle brass reveals, frosted glass office doors with gold lettering, warm recessed overhead downlights casting triangular pools on wall, 16-bit pixel art style, flat side orthographic view, no characters, clean horizontal loop, palette: rich cherry red-brown, satin brass, deep navy blue, warm ambient amber --ar 16:9

- **Piso:**

  16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows polished dark emperador marble slab with subtle white veining and brass trim edges. The middle cross-section shows engineered acoustic subflooring and structural steel channel beams. Edges are cleanly snapped and fractured. Crisp pixel art, no anti-aliasing.

Piso 16: Cuarto Eléctrico

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, high-voltage electrical substation
room wall, industrial breaker cabinets and transformator
panels mounted against dark cinder block, caution high
voltage signs, dense overhead cable trays sagging with
thick black wires, 16-bit pixel art style, flat side
orthographic view, no characters, clean texture tiling,
palette: safety yellow, conduit slate gray, spark
electric blue, dark cinder black --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer
tileset, flat 2D side orthographic view, isolated on a
solid black background. A floating floor platform viewed
from a pure profile cutaway side-section. The top surface
shows heavy non-conductive grooved black rubber safety
mats over steel plate. The middle cross-section shows
elevated steel pedestal computer flooring with exposed
empty cable raceway trenches beneath. Left and right
edges are severed and broken into black. Sharp pixels, no
anti-aliasing.
```

Piso 17: Lavandería

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, communal apartment laundry room wall,
peeling sky blue paint over damp cement, high overhead
steam exhaust ducts wrapped in insulation tape, water
meter manifolds with brass gauges, condensation droplet
trails, 16-bit pixel art style, flat side orthographic
view, no characters, clean horizontal loop, palette: pale
sky blue, chalky white, copper pipe turquoise, tarnished
brass --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows glossy pale blue ceramic tiles with slope-to-drain grooves and soapy water puddles. The middle cross-section shows thick waterproofing membrane, concrete base, and severed PVC drainage pipes. The edges are broken and chipped into the void. Sharp pixel edges, no anti-aliasing.
```

Piso 18: Pasillo de Mantenimiento

- **Fondo:**

```
2D side-scrolling platformer background, seamless horizontal pattern, back-of-house service crawlway wall, exposed brickwork with patched rough mortar, heavy insulation pipes with yellow identification bands, caged ceiling maintenance bulbs, steam vent louvers, 16-bit pixel art style, flat side orthographic view, no characters, clean texture tiling, palette: weathered red brick, pipe insulation yellow, raw steel gray, steam white --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer tileset, flat 2D side orthographic view, isolated on a solid black background. A floating floor platform viewed from a pure profile cutaway side-section. The top surface shows open-mesh galvanized steel catwalk grating with yellow kickplates along the edge. The middle cross-section shows structural angle-iron trusses and pipe hanger clamps. The left and right edges are sheared off and broken abruptly into black. Crisp pixels, no anti-aliasing.
```

Piso 19: Sala de Servidores

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, legacy server data center room wall,
rows of 19-inch black server racks with faint blinking
cyan and magenta LED indicators, perforated metal
ventilation walls, overhead neon blue cold-aisle
lighting, 16-bit pixel art style, flat side orthographic
view, no characters, clean horizontal loop, palette: deep
server rack black, cold cyan, blinking LED green and
magenta, steel slate --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer
tileset, flat 2D side orthographic view, isolated on a
solid black background. A floating floor platform viewed
from a pure profile cutaway side-section. The top surface
shows antistatic vinyl raised-access floor tiles in light
gray with circular ventilation grilles. The middle cross-
section shows hollow plenum space with tangled fiber-
optic bundles and steel stanchion support jacks. Edges
are broken and open to black. Sharp pixel art, no anti-
aliasing.
```

Piso 20: Cuarto de Calderas

- **Fondo:**

```
2D side-scrolling platformer background, seamless
horizontal pattern, massive subterranean boiler room back
wall, giant riveted iron boiler tanks with glowing
pressure glass gauges, high overhead steam valves,
glowing coal-fire grate embers casting orange rim light
against dark soot-stained brick walls, 16-bit pixel art
style, flat side orthographic view, no characters, clean
horizontal loop, palette: soot black, boiler iron,
glowing ember orange, tarnished brass --ar 16:9
```

- **Piso:**

```
16-bit retro pixel art, side-scrolling platformer
tileset, flat 2D side orthographic view, isolated on a
solid black background. A floating floor platform viewed
from a pure profile cutaway side-section. The top surface
shows heat-blackened cast iron floor tiles with diamond
relief patterns, glowing ash dust, and grease streaks.
The middle cross-section shows thick stone foundation
blocks and heavy steam return pipes. The left and right
edges are jagged, cracked, and abruptly broken into the
black void. Sharp pixels, no anti-aliasing.
```

3. Instrucción para Generación en Nano Banana

Para obtener los mejores resultados en **Nano Banana** o generadores basados en SDXL:

1. Copia y pega el prompt en inglés exactamente como está formulado.
2. Asegúrate de fijar la resolución en formato horizontal para fondos (`1280x720` o `1920x1080`) y formato estándar (`1024x1024` o `1280x720`) para los tilesets de piso.
3. Al obtener el piso con fondo negro, abre el PNG en **Photopea** o **Piskel**, selecciona el fondo negro con la herramienta *Varita Mágica* (Tolerancia: 5-10) y presiona `Supr` para dejar la transparencia lista para el Canvas.
